## He Took the Pot.

The judge, the sheriff, the coroner and the chief of police of Red Gulch were engaged in playing poker.

The pot was pretty large and considerable excitement was manifested in the outcome. The judge "called" the sheriff, who casually remarked:

"I hold four aces. What do you hold?"

"I hold a bowie-knife" promptly returned the judge, as he perceived a fifth ace in his own hand.

"And I hold a six-shooter!" exclaimed the chief of police as he realized that he was not destitute of aces himself.

After an interval of about five minutes the coroner crawled out from under the table, saying:

"I hold an inquest, and I guess that takes the pot."

The following from the pen of Horace Greely is an undeniable fact.

"If you want to keep a town from thriving don't build any more dwellings than you can conveniently occupy yourself. If you should accidentally have an empty building and any one should want to rent it, ask three times the value of it. Demand a Shylock price for every foot of ground God has given you stewardship over. Turn a cold shoulder to mechanics and business men who seek to make a home with you. Look at every new comer with a scowl. Run down the work of every new workman. Go abroad for wares rather than to do business in your midst. Fail to advertise or in any way support your town newspaper, that the people may know whether business is going on in your town or not. Wrap yourself in a coat of impenetrable selfishness. There is no more effectual way to retard the growth of a town than actions like these enumerated."

## Consumption Cured.

An old physician retired from practice, having had placed in his hands by a simple vegetable remedy the formula of a simple and permanent cure of consumption, Bronchitis, Catarrh, Asthma and all throat and lung affections, also a positive and radical cure for Nervous debility and all nervous complaints, after having tested its wonderful curative powers, in thousands of cases has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it this recipe in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp naming this paper, W. A. Noyes, 149 Power's Block, Rochester, N. Y. no. 2-17

A minister of the Christian church, at Nevada, by the name of J. A. Elliot, came to grief last week. Too much familiarity with a negro woman was the cause. A meeting of the officers of the church was held, proof positive of his guilt was produced, and Elder Elliot was unceremoniously bounced out of the church. Elliot without delay checked his baggage for Lexington, Ky., leaving behind his wife and children, and a record and character unfit for publication, which is proof positive that he must have been a very bad man.

You are not old, yet your hair is getting thin. Your friends remark it, your wife regrets it. Parker's Hair Balsam will stop this waste, save your hair and restore the original gloss and color. Exceptionally clean, prevents dandruff, a perfect dressing.

The latest reported fasting girl is Julia Harris, the twelve year old daughter of Methodist minister near Fowles Station, Texas. She is said not to have eaten anything in forty-six days. She was unusually fat when she began her self imposed fast, weighing 150 pounds. She is greatly reduced in flesh now.

## An End to Bude Scraping.

Edward Shepherd, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. I have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well." Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c. per box by John G. Walker, 242
